

REJECT PETITION 04-160! Xm Has Changed My Life! We Listen To Many Programs Including Talk Radio And Other Programs That Has Changed My Families Life As Well As My Employees. We Choose To Listen To What We Want. I Don't Have Traffic Info For My Area, But I Can See How It Would Help Hundred's Of Thousands Out There That Travel Between Cities. I Do Listen To The Weather And Find It Very Helpful On Job Sites And I Also Happen To Be A Storm Chaser. I Find The Singles From Space Still Come Thru Regardless Of The Weather Conditions. My NOAA Radio And Scanner In The Car Is Not Always Available Due To Weather Conditions.

THE BOTTOM LINE HERE IS THE FIRST AMENDMENT! Xmradio Is Revolutionary! It's The Biggest Thing That Has Happen Since TV Singles Started Going Over The Air. STOP crying about getting spanked by XM Radio And Figure Out How You Can Be More Competitive With Them. Or Is It Because They (Lobbyist) Realize There Day In The Sun Is Slowly Coming To An End With This New Technology And Service? I Have News For You LAN Based Transmissions Well Be Gone In 20 Years! Everything Is Going To Satellite And It Make Complete Since! Cell Phone Companies Are Really Looking Hard At The Same System, Except 2way, What's Next, LAN Based Phone Companies Start Crying About That To! Grow Up! Think Of An Idea Yourself And Do It!
